

Take a picture of this page.

Please provide this picture to  
children for project completion.

I can learn this by myself...

# Fear Not - Isaiah 41:10

Designed for ages 9-11

Integrating these Apple apps.

+

camera

Keynote

*This book will assist children to independently create a digital project based on the scripture verse listed above. Please print this PDF and assemble the booklet before giving it children.*

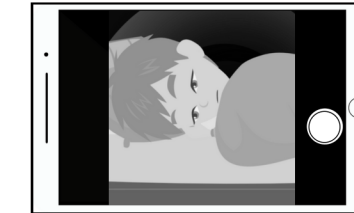

## How to take a picture with an Apple device.

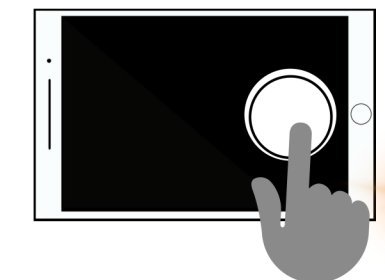

1. Tap the CAMERA app.

2. Hold the Apple device so you can see the printed picture on the device screen.

3. Tap the SHUTTER button.

& Click

---

**Use your Apple device to take a picture of the printed image provided to you for this project.**

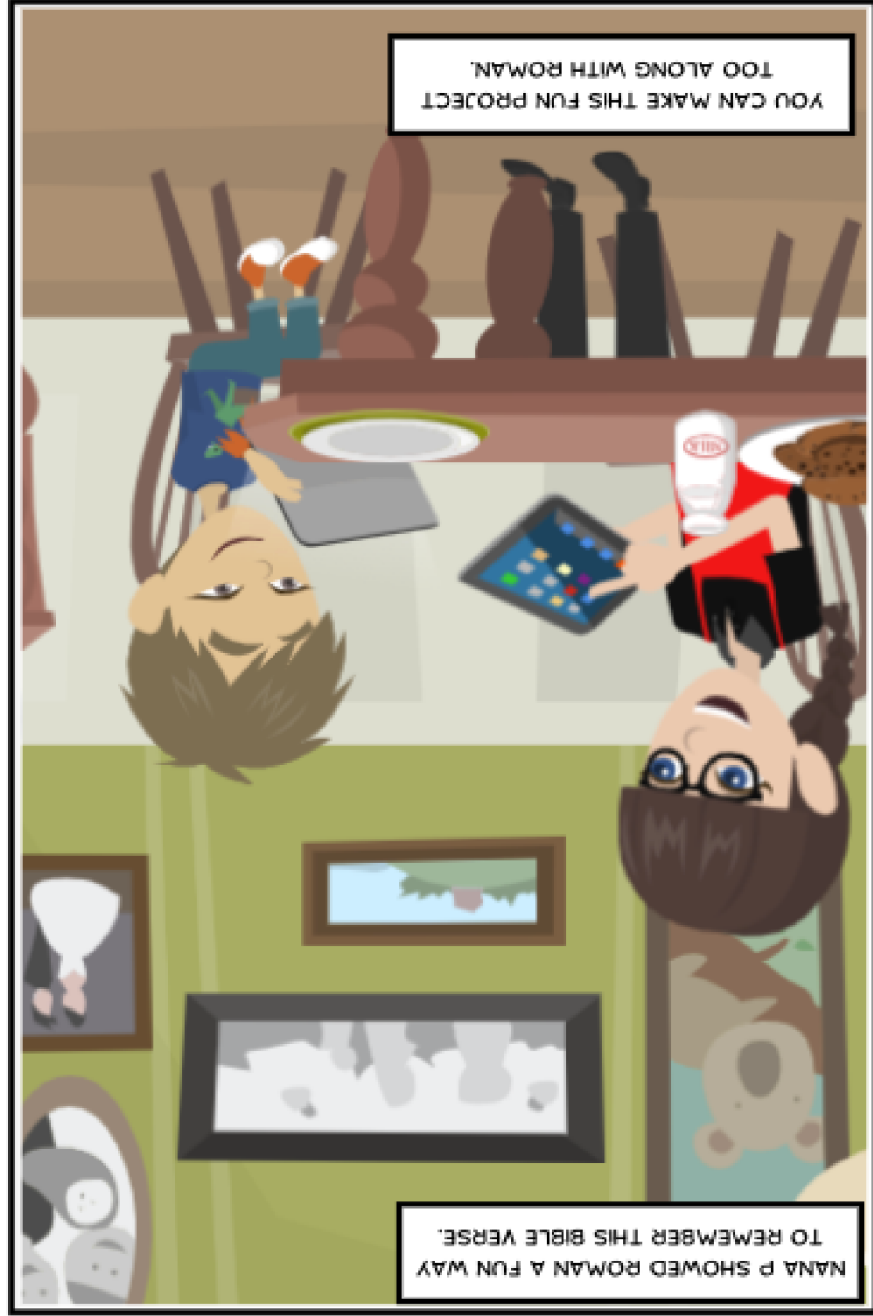

# How can God help?

2

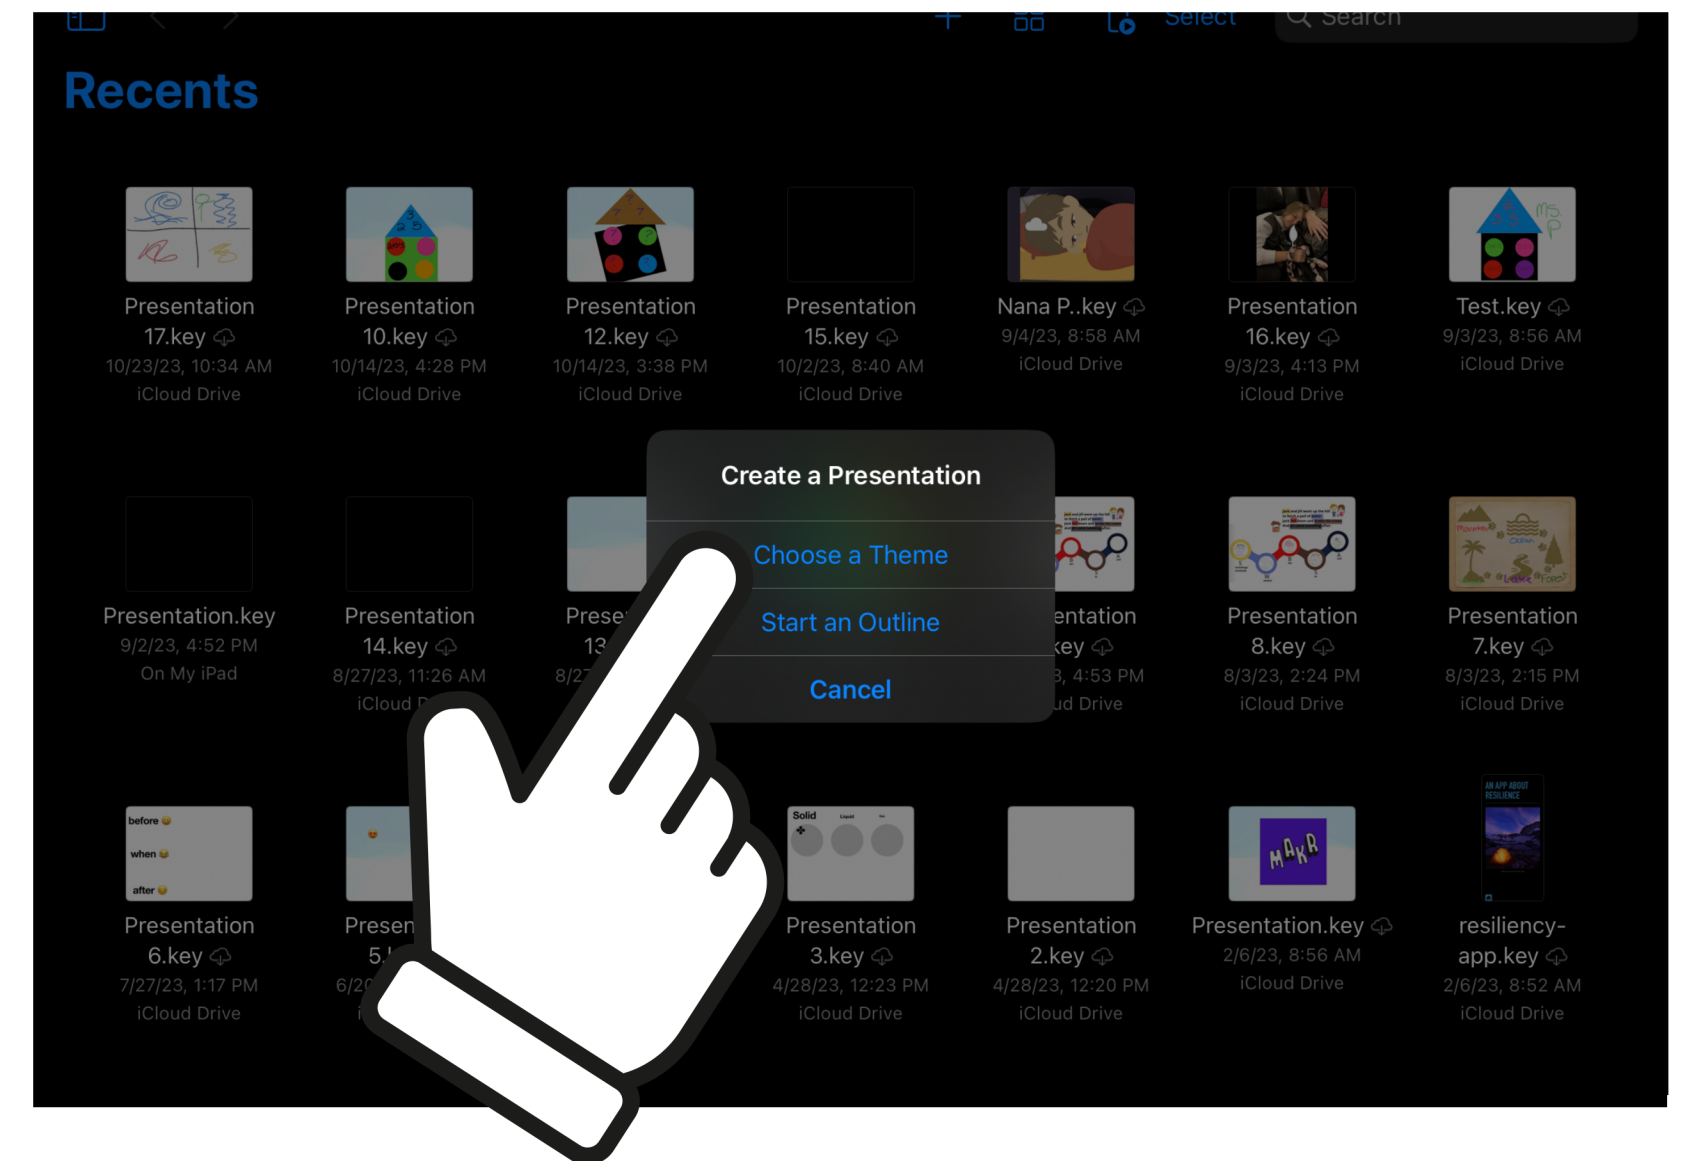

3

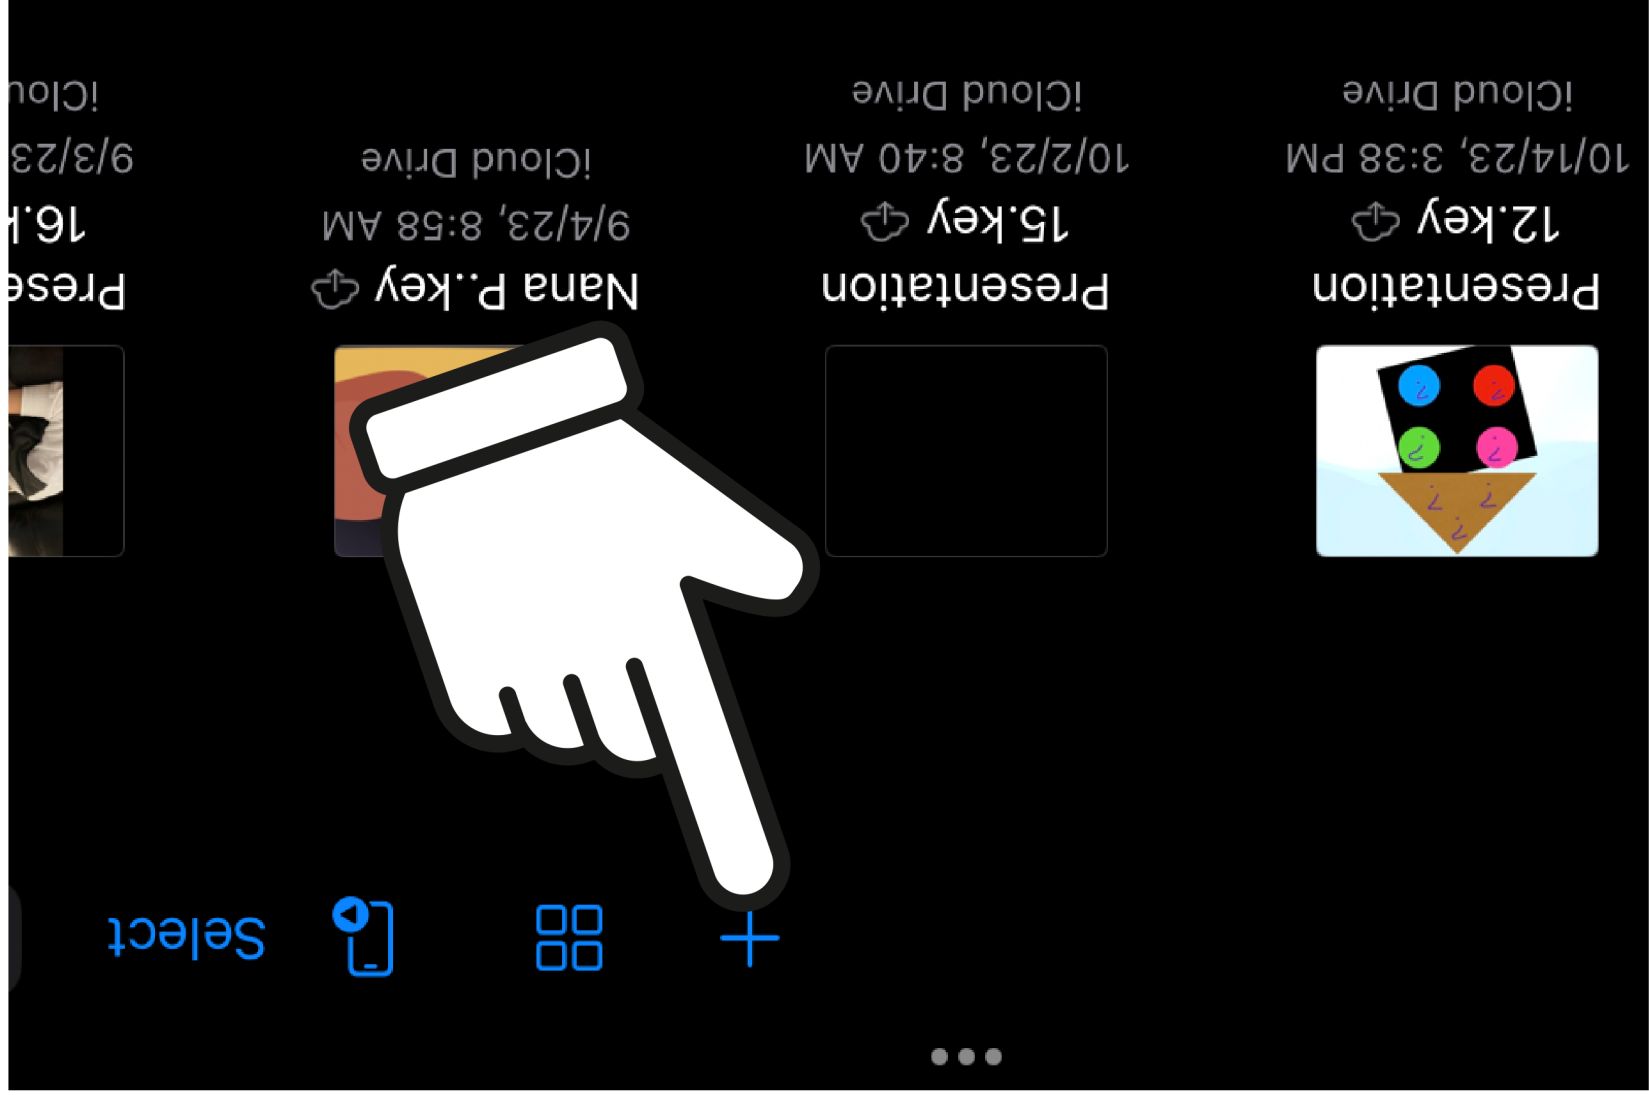

Tap the **home button** one time to wake up the device.

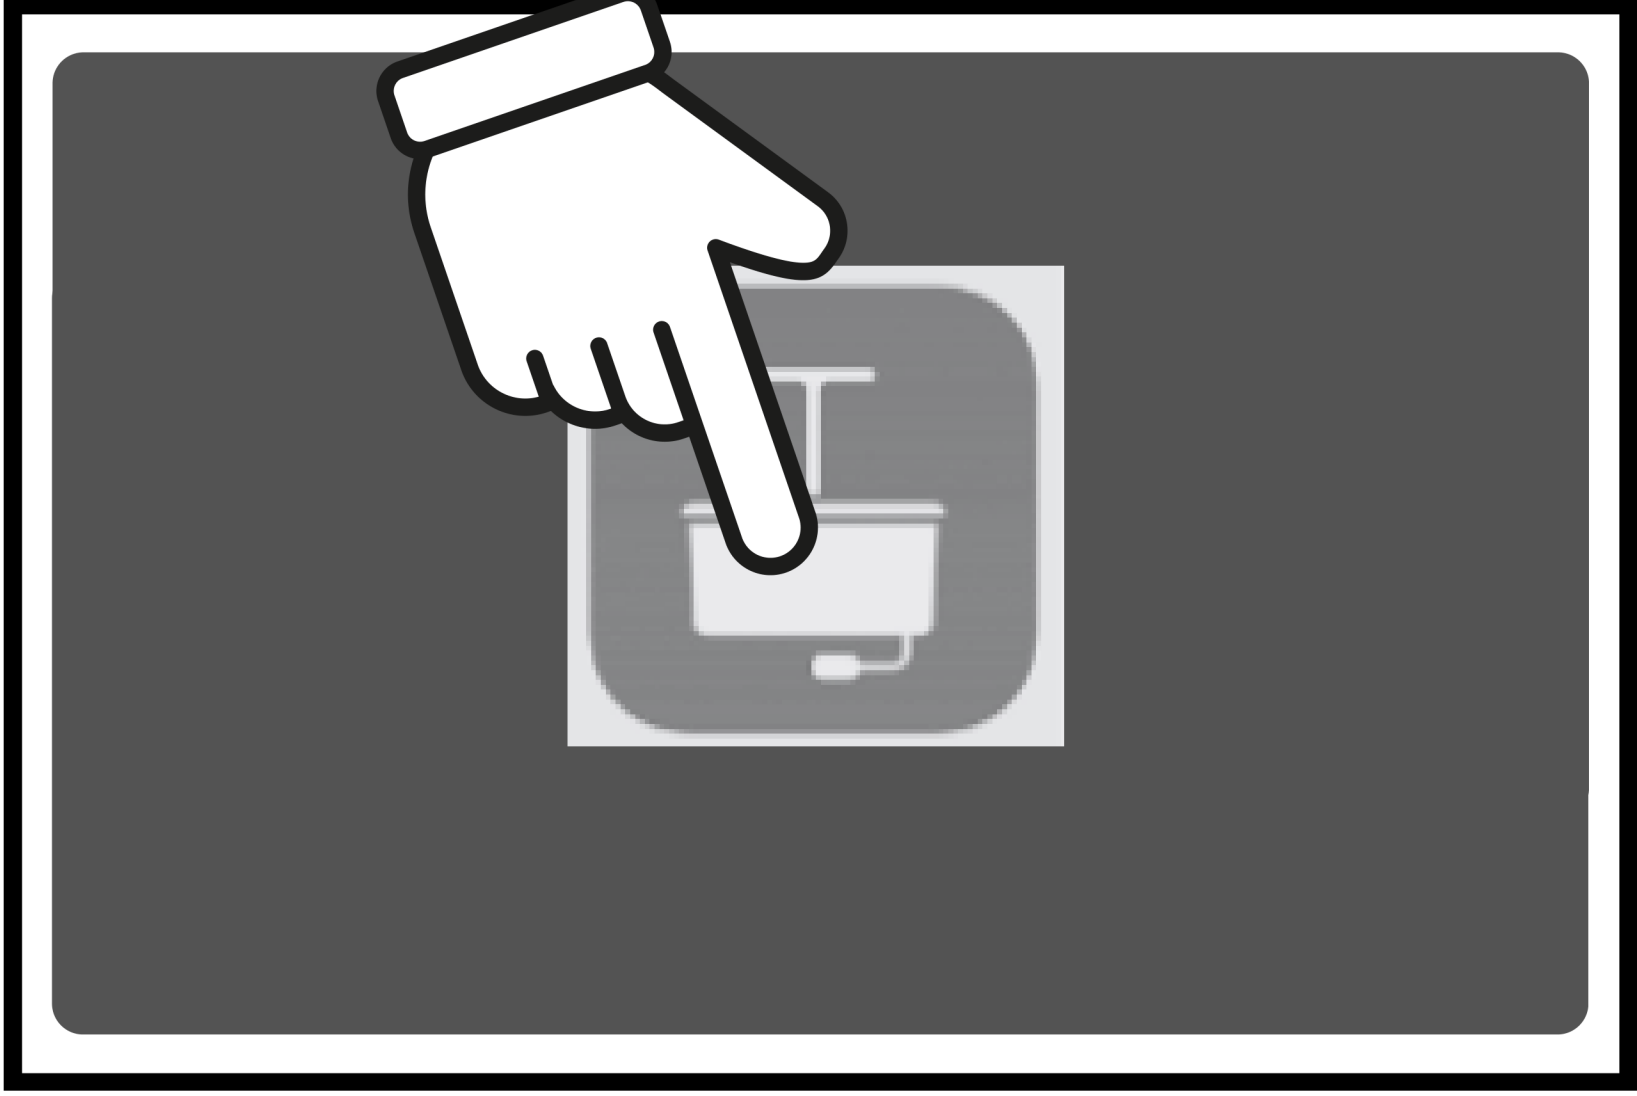

Tap **choose a theme**.

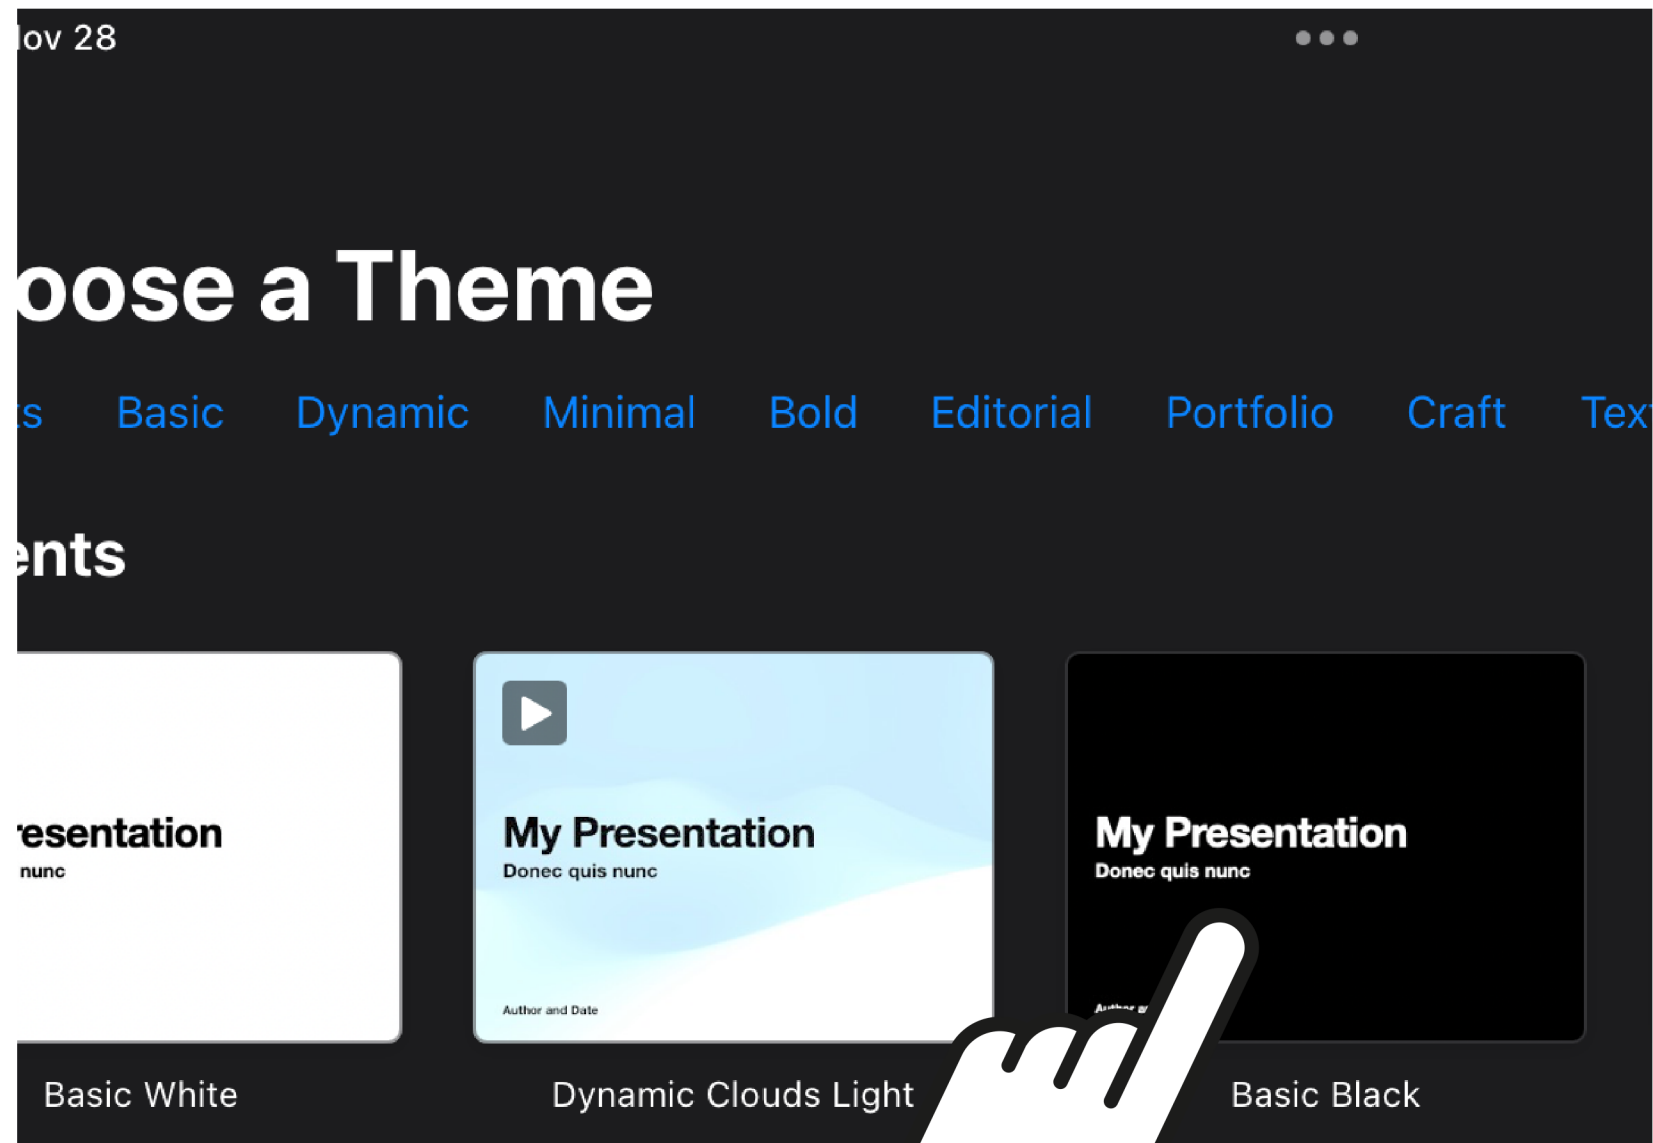

Tap the plus sign.

7

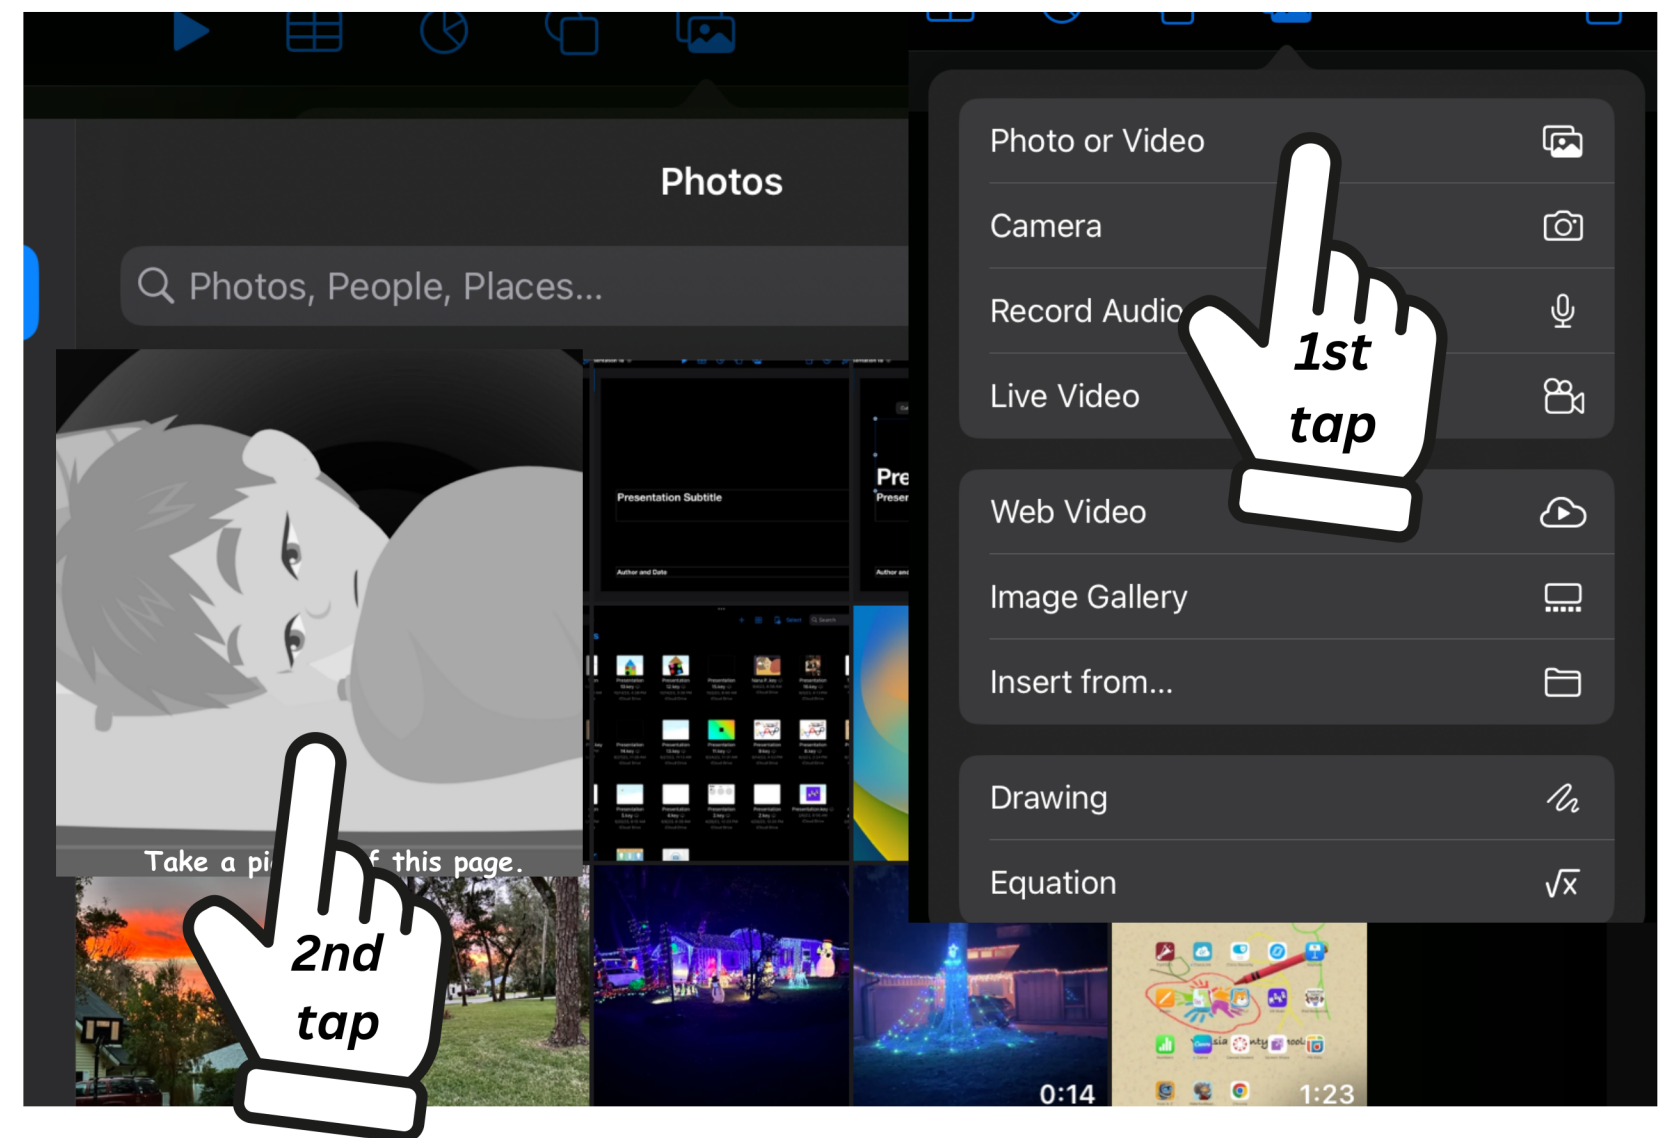

Tap the **Keynote** app to open.

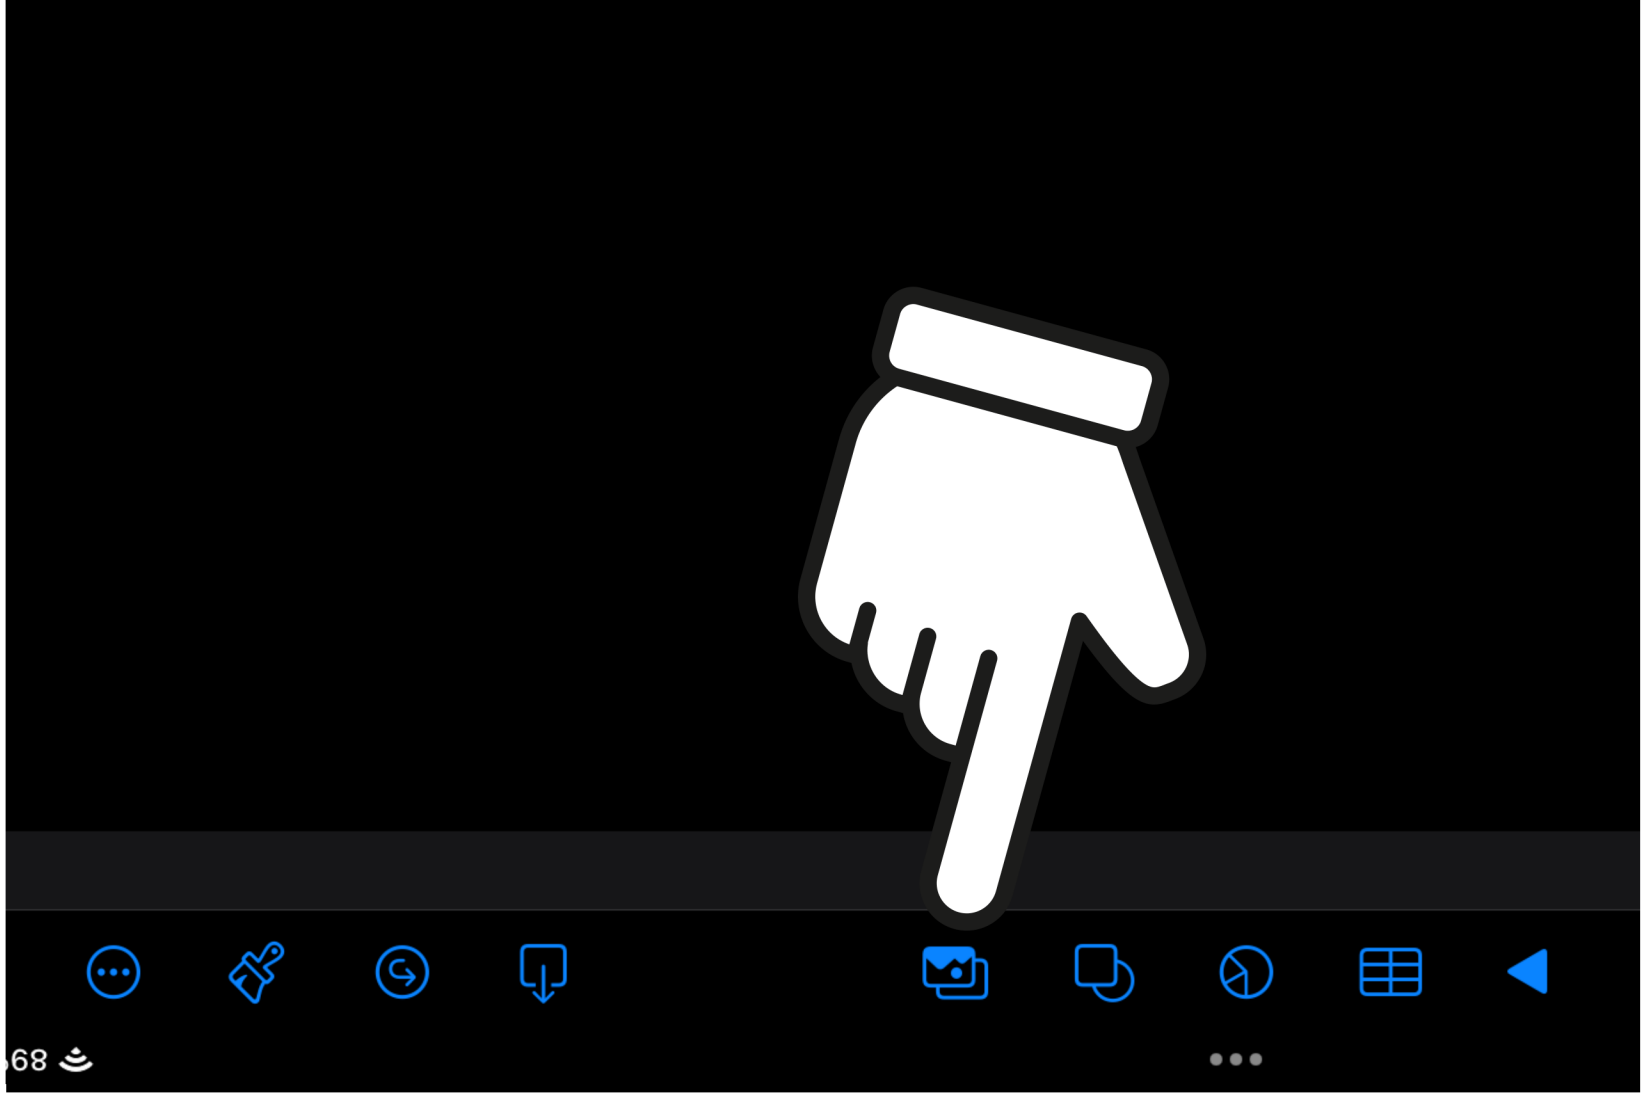

6

Tap the presentation slide which reads **Black Basic**.

Tap **Photo or Video** then tap on the picture of Roman.

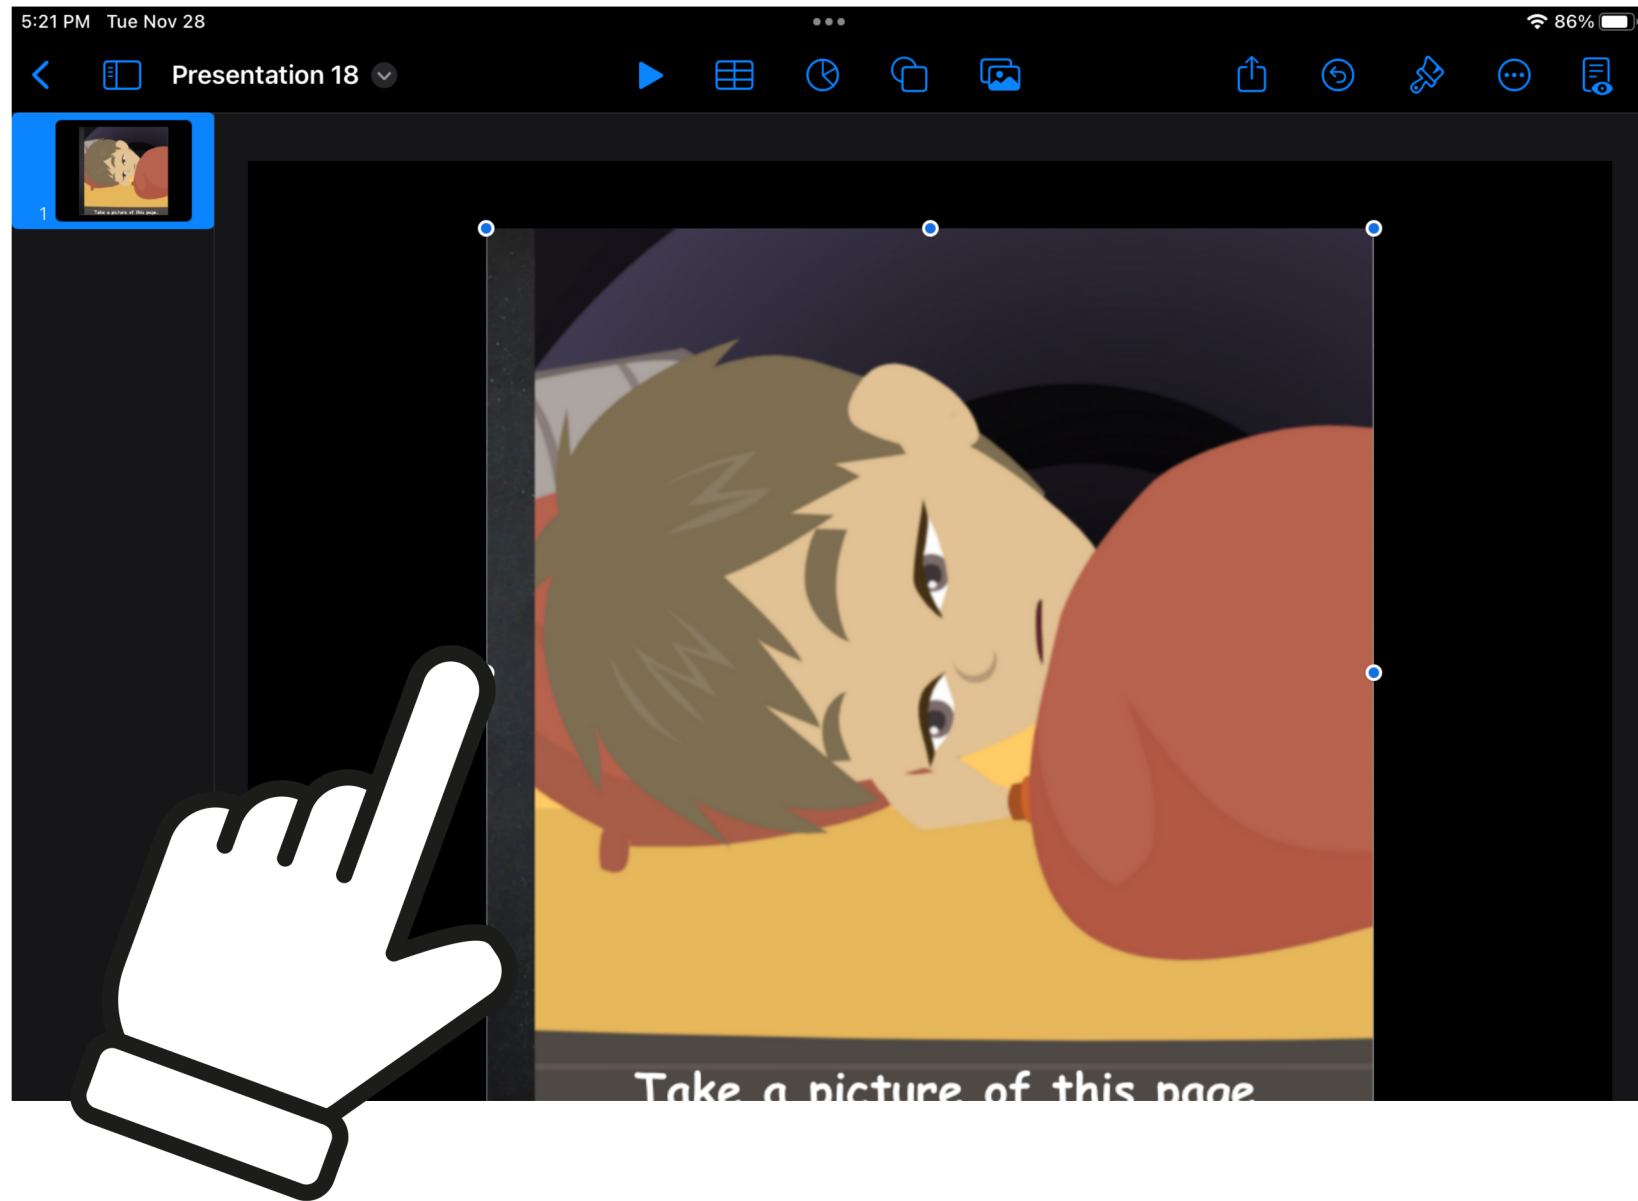

Tap the **Media** icon.

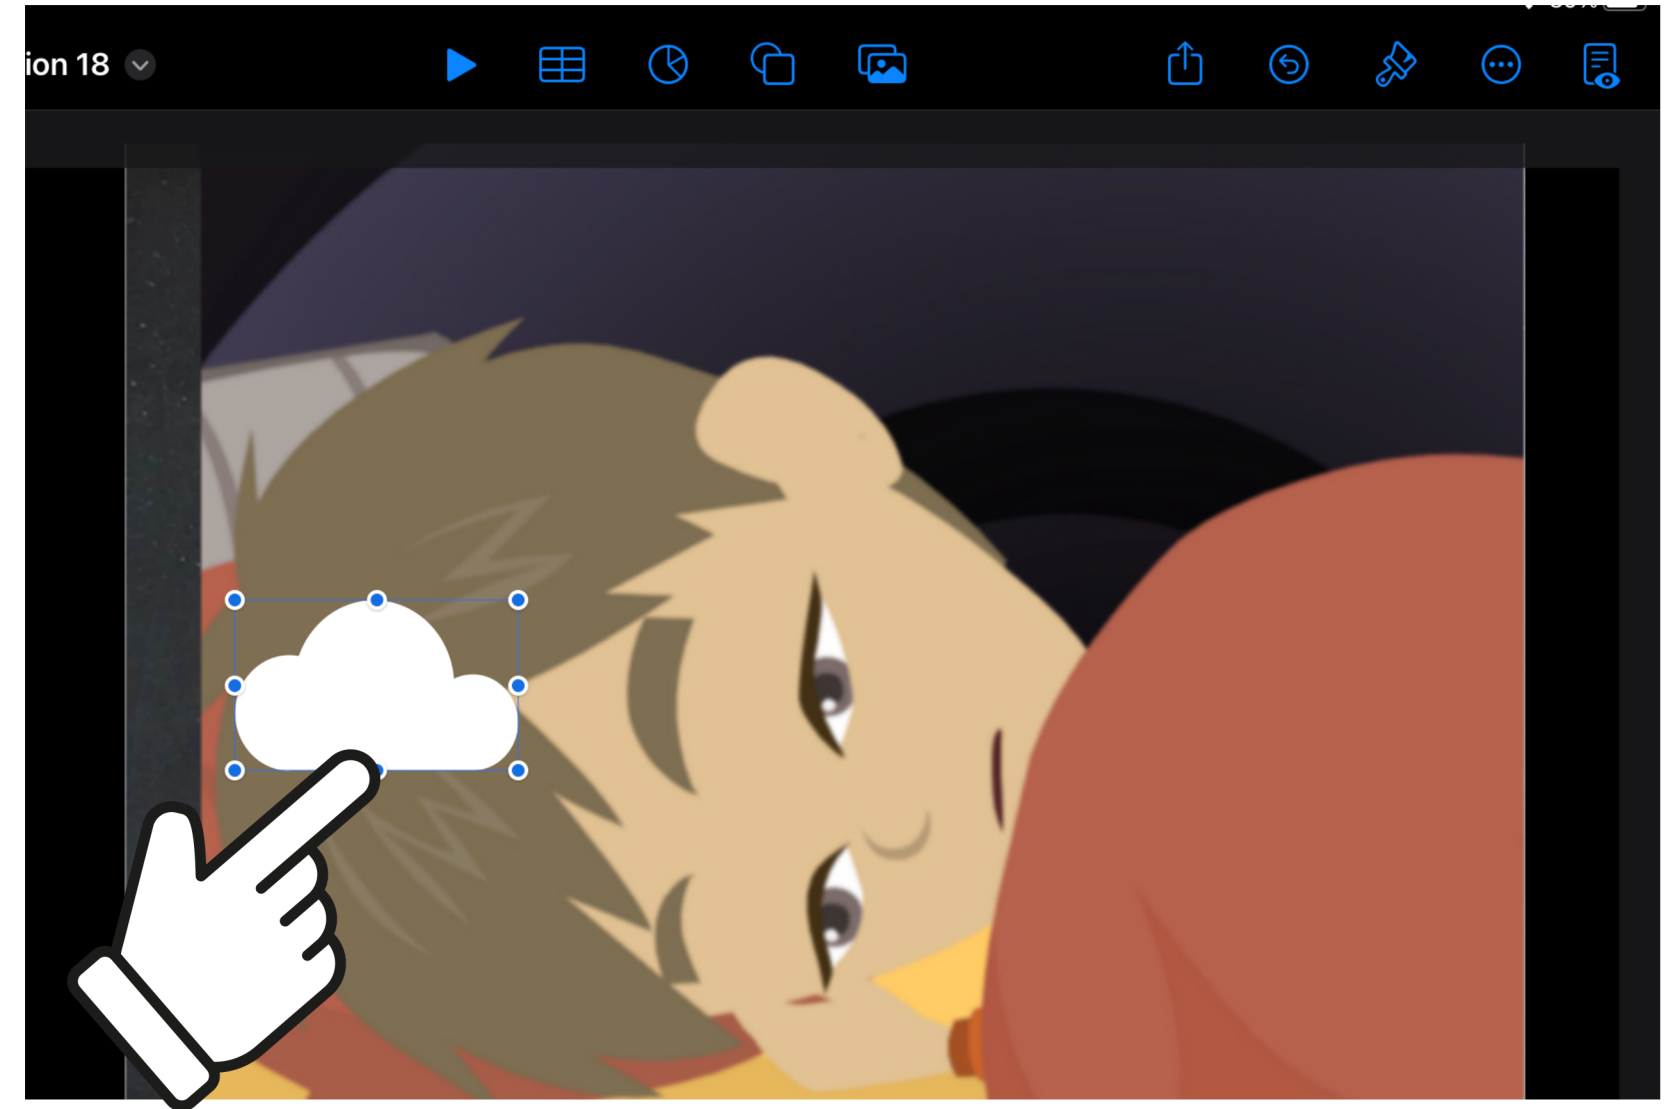

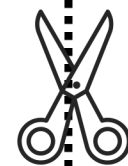

*Tap the Plus if you don't see the media icon.*

Tap inside **each** text box  
and tap **DELETE**.

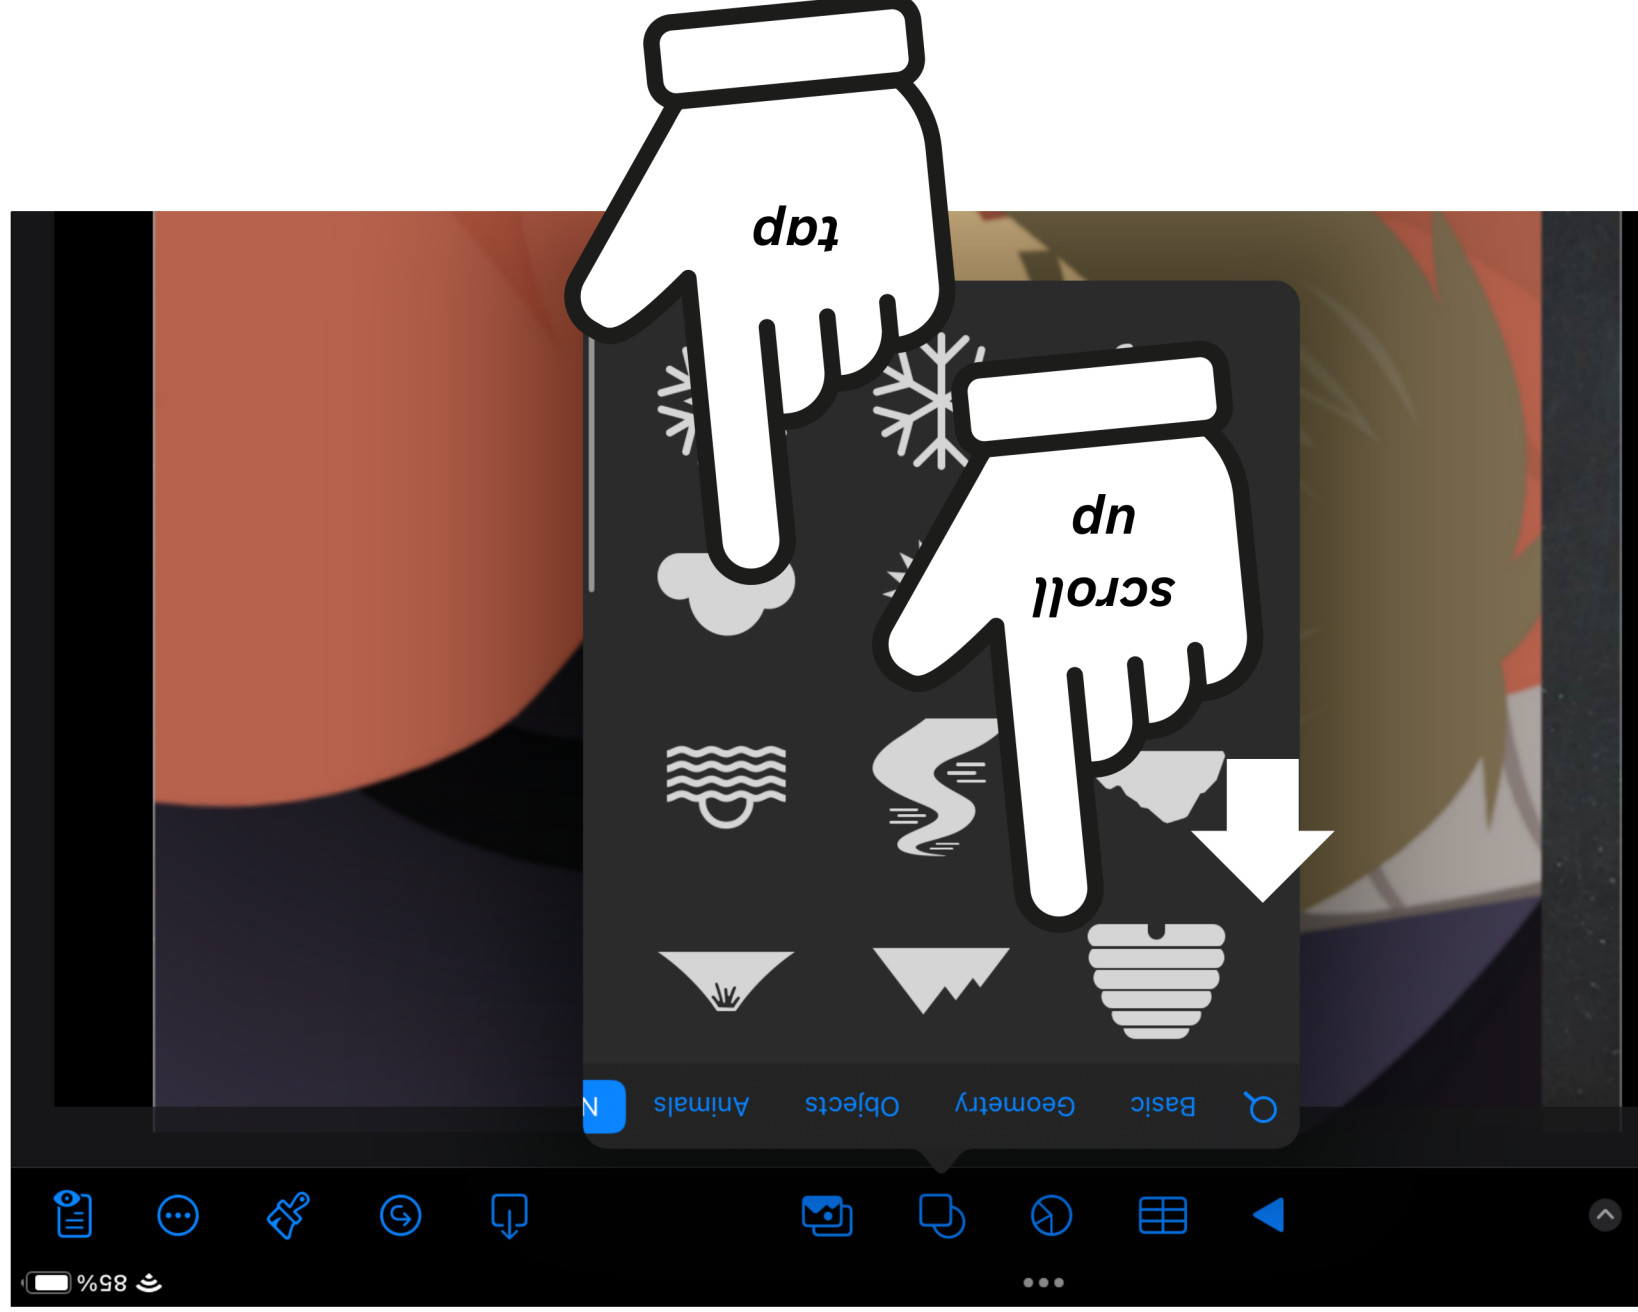

Use the  
**blue bubbles** to make  
the image large enough  
to fill the slide.

**Move** the cloud shape into  
Roman's head and adjust  
its size.

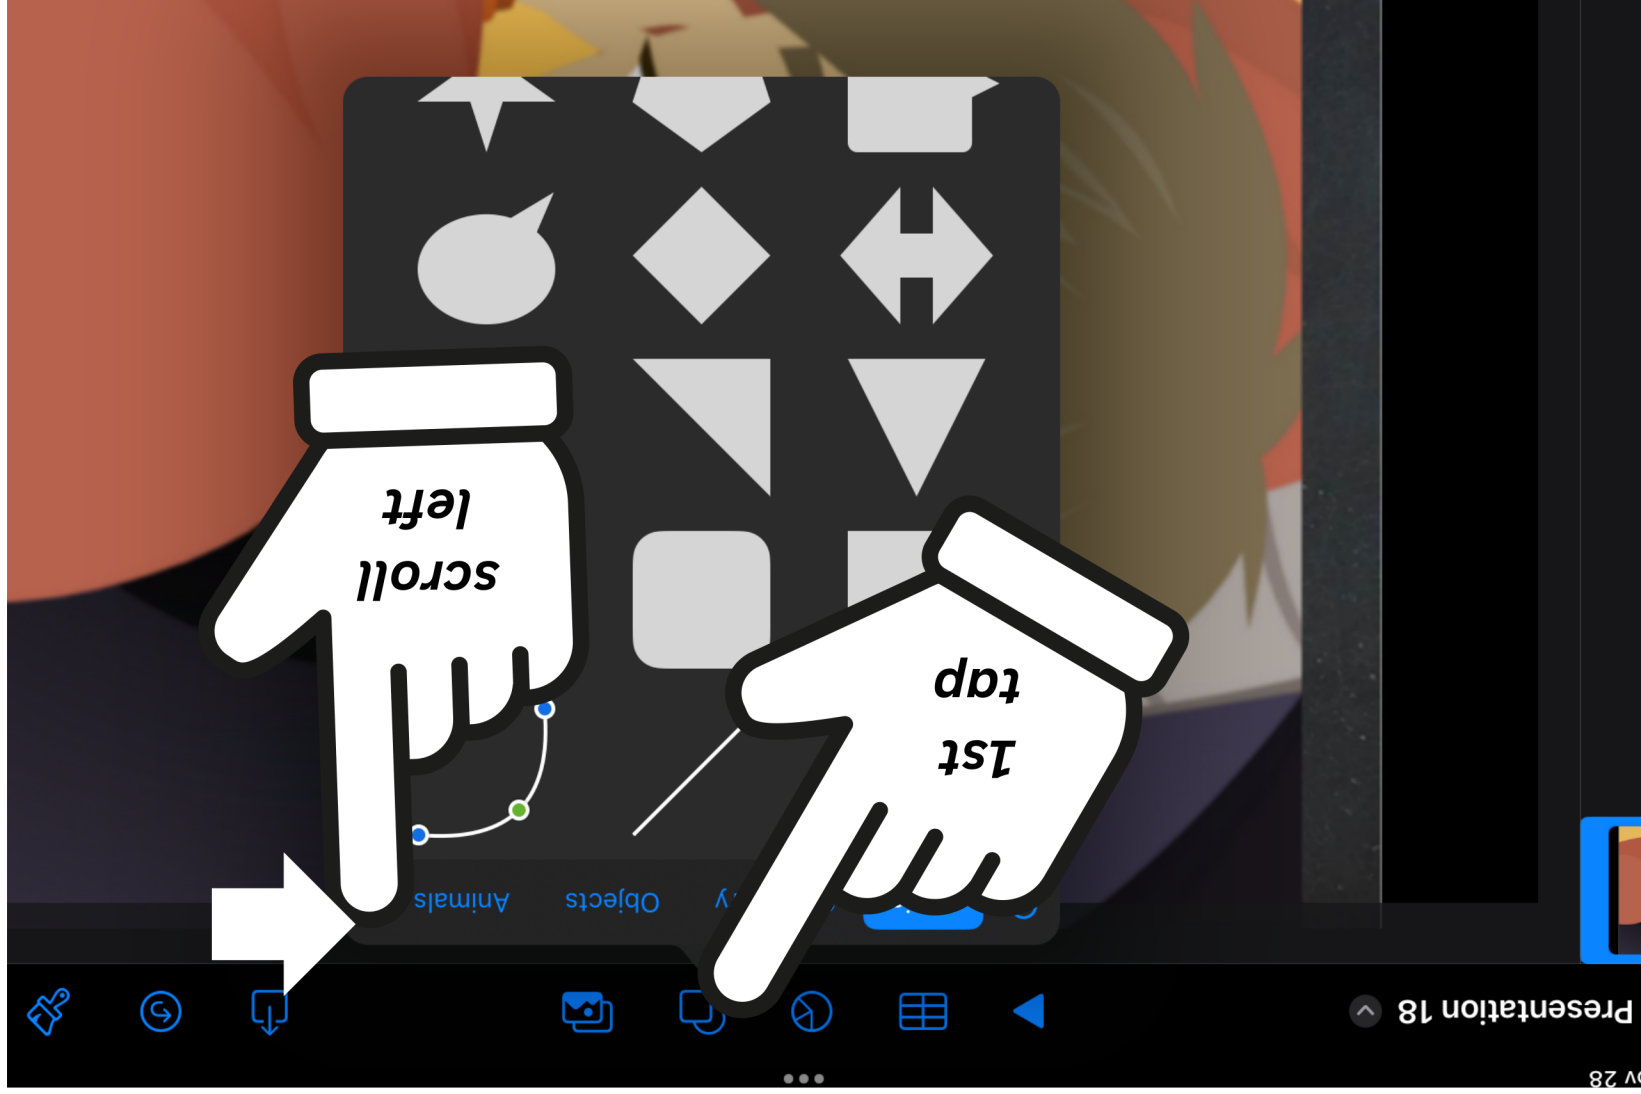

Use your finger to scroll up in the Nature category and tap on the **cloud** shape.

15

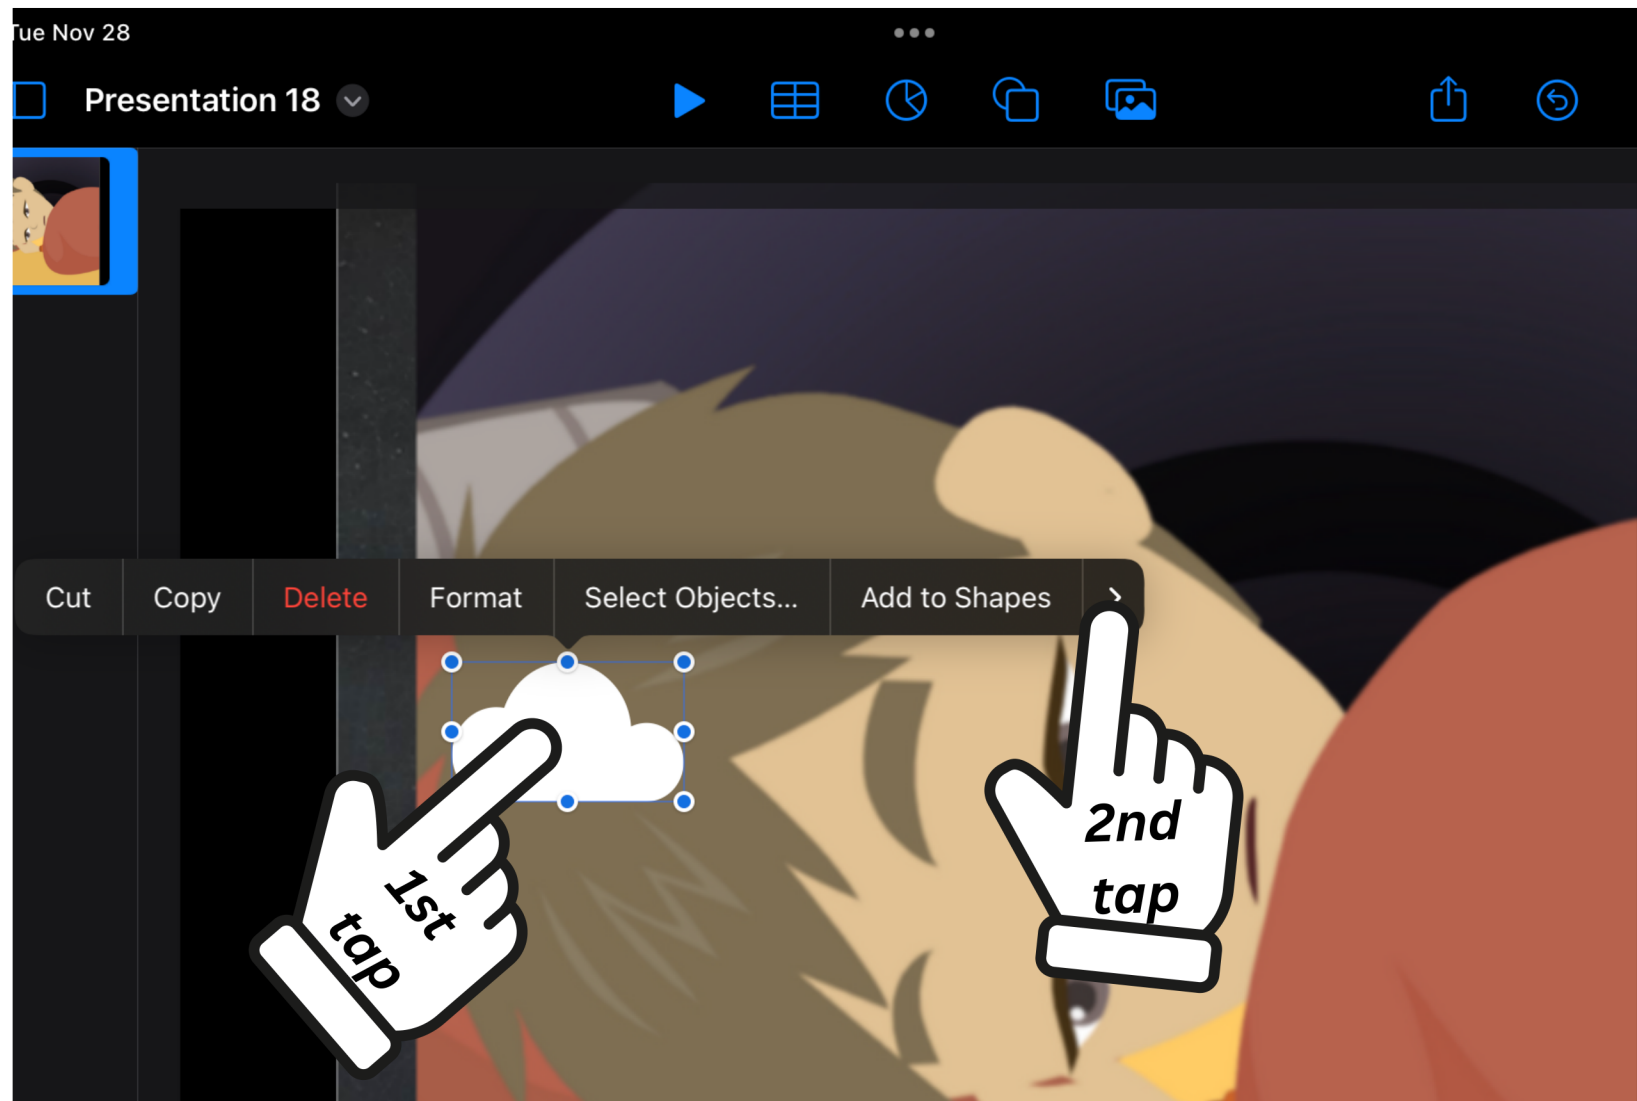

Tap the **Shapes** icon scroll to find and tap the word **Nature**.

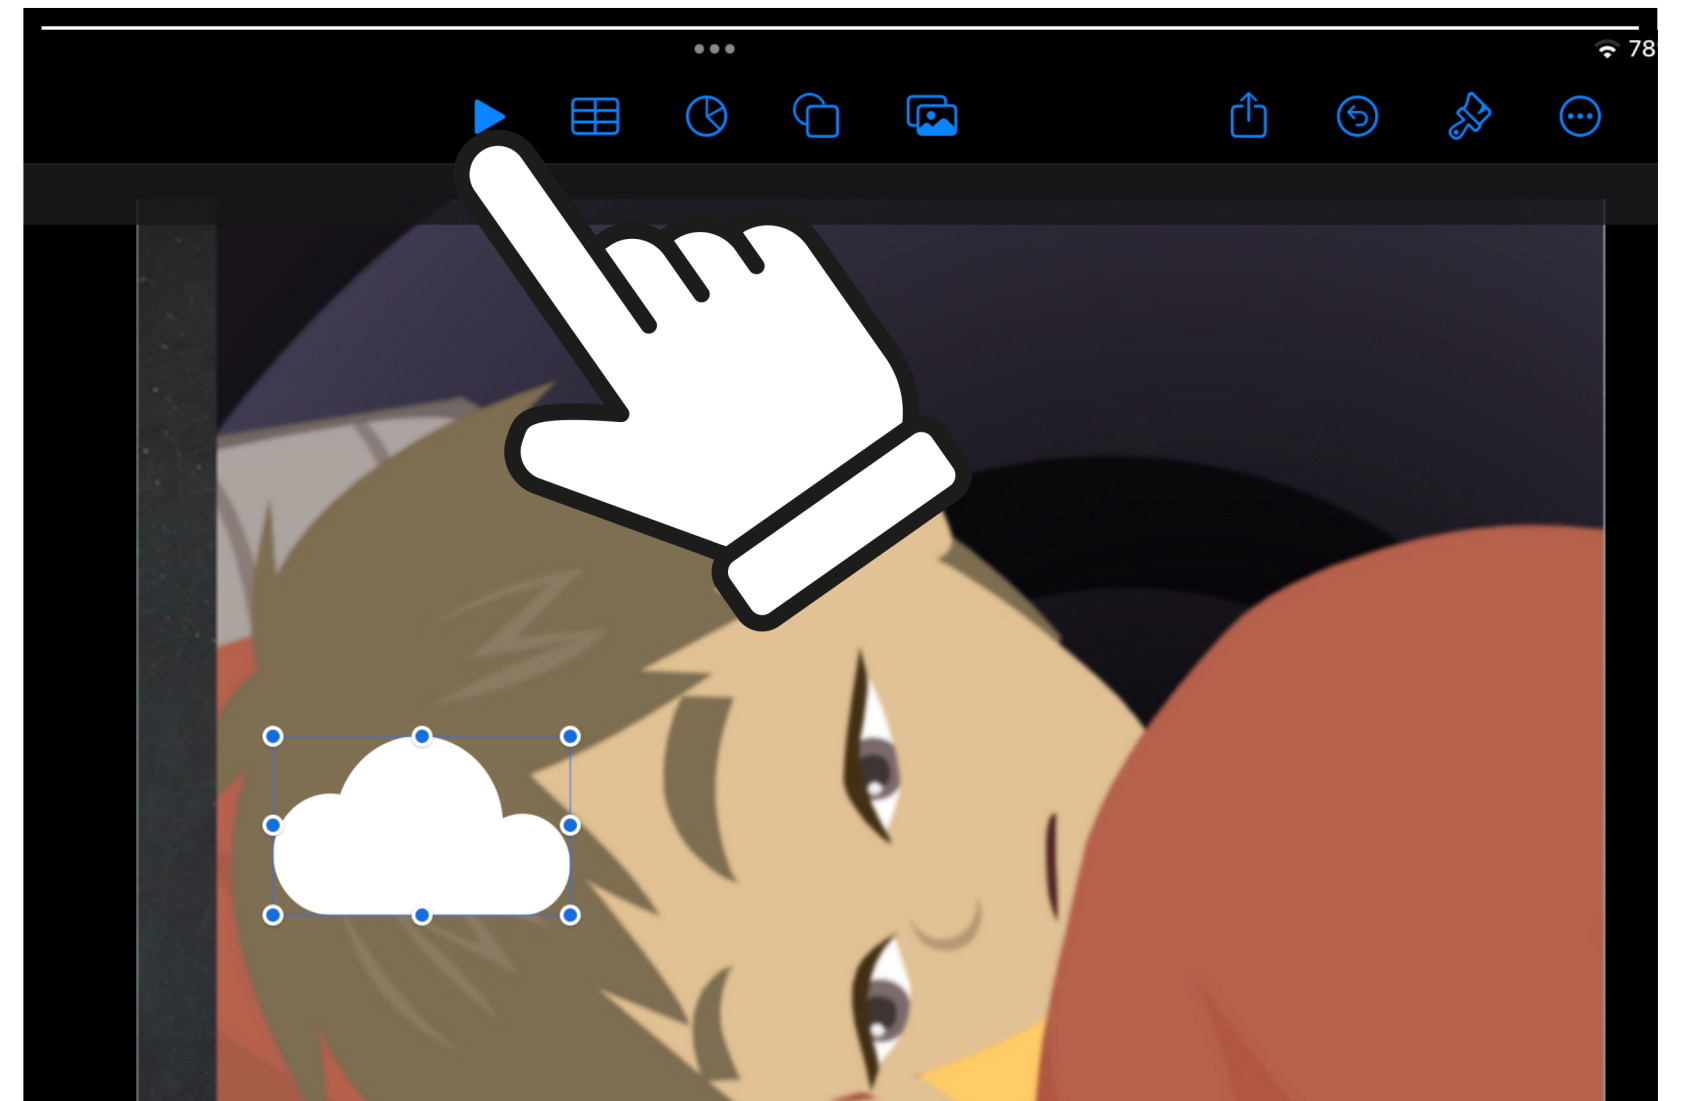

14

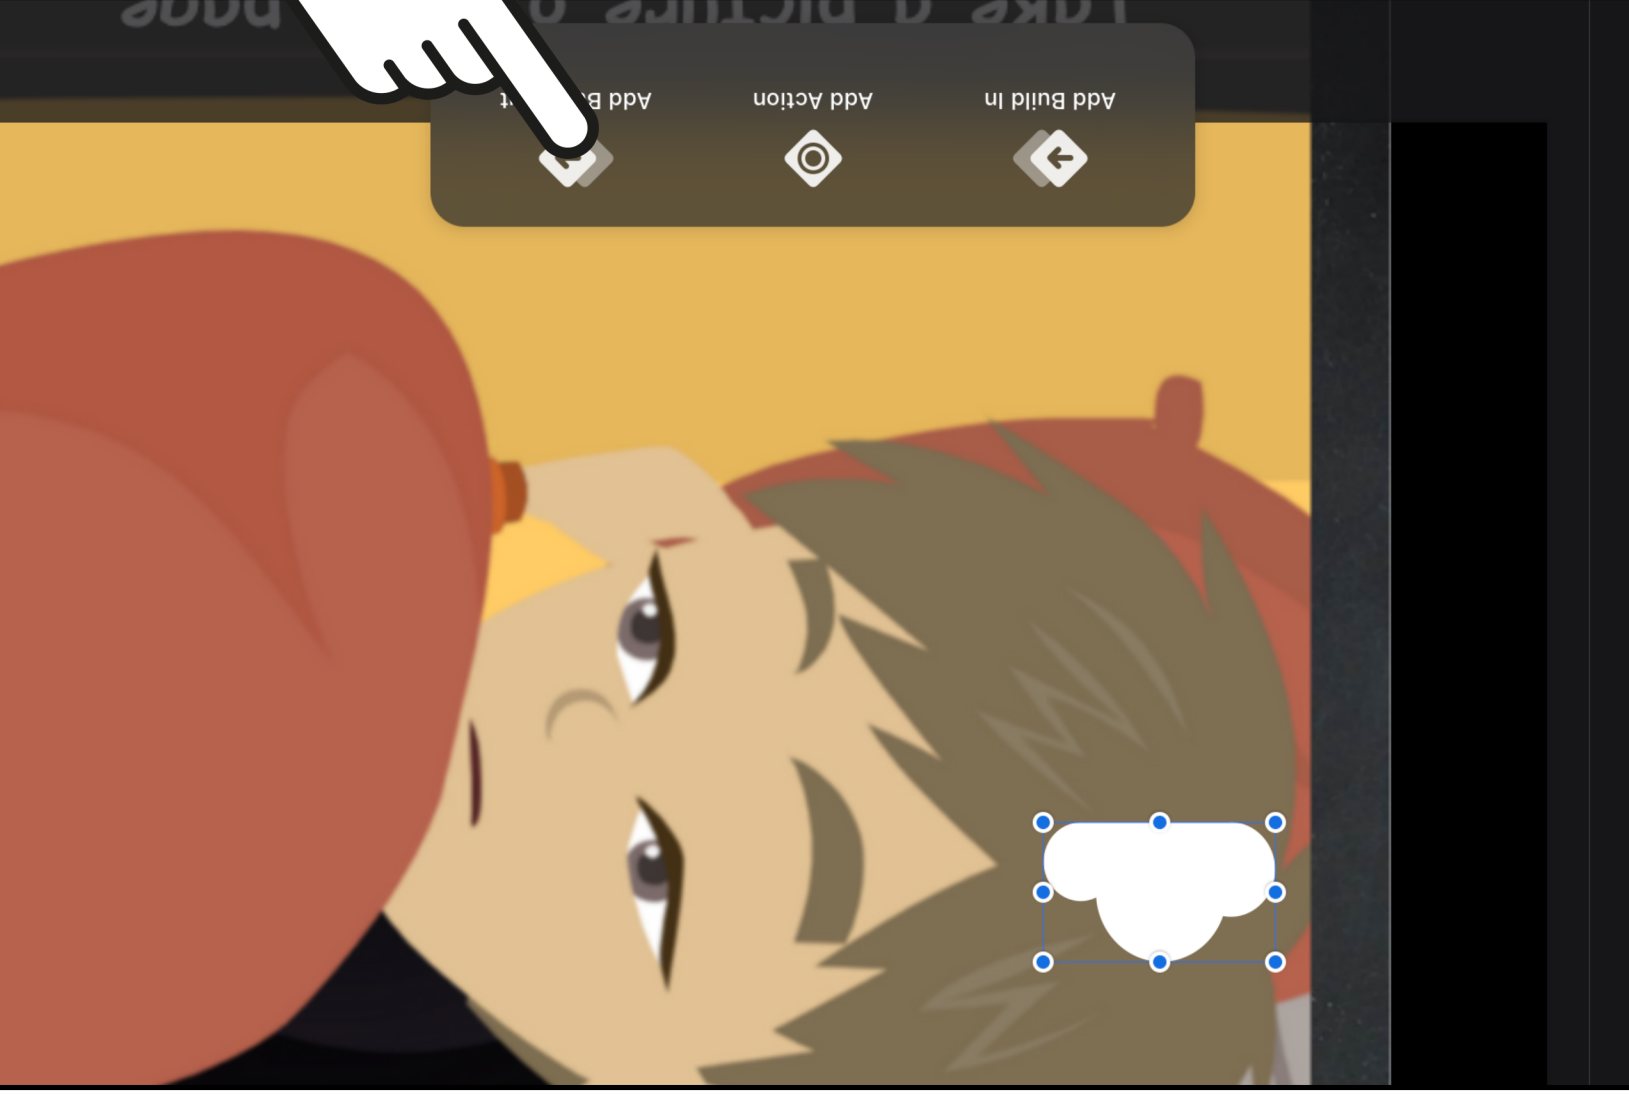

Tap the cloud shape to make the **tool bar** appear then tap the **arrow** for more tools and finally tap the word **animate**.

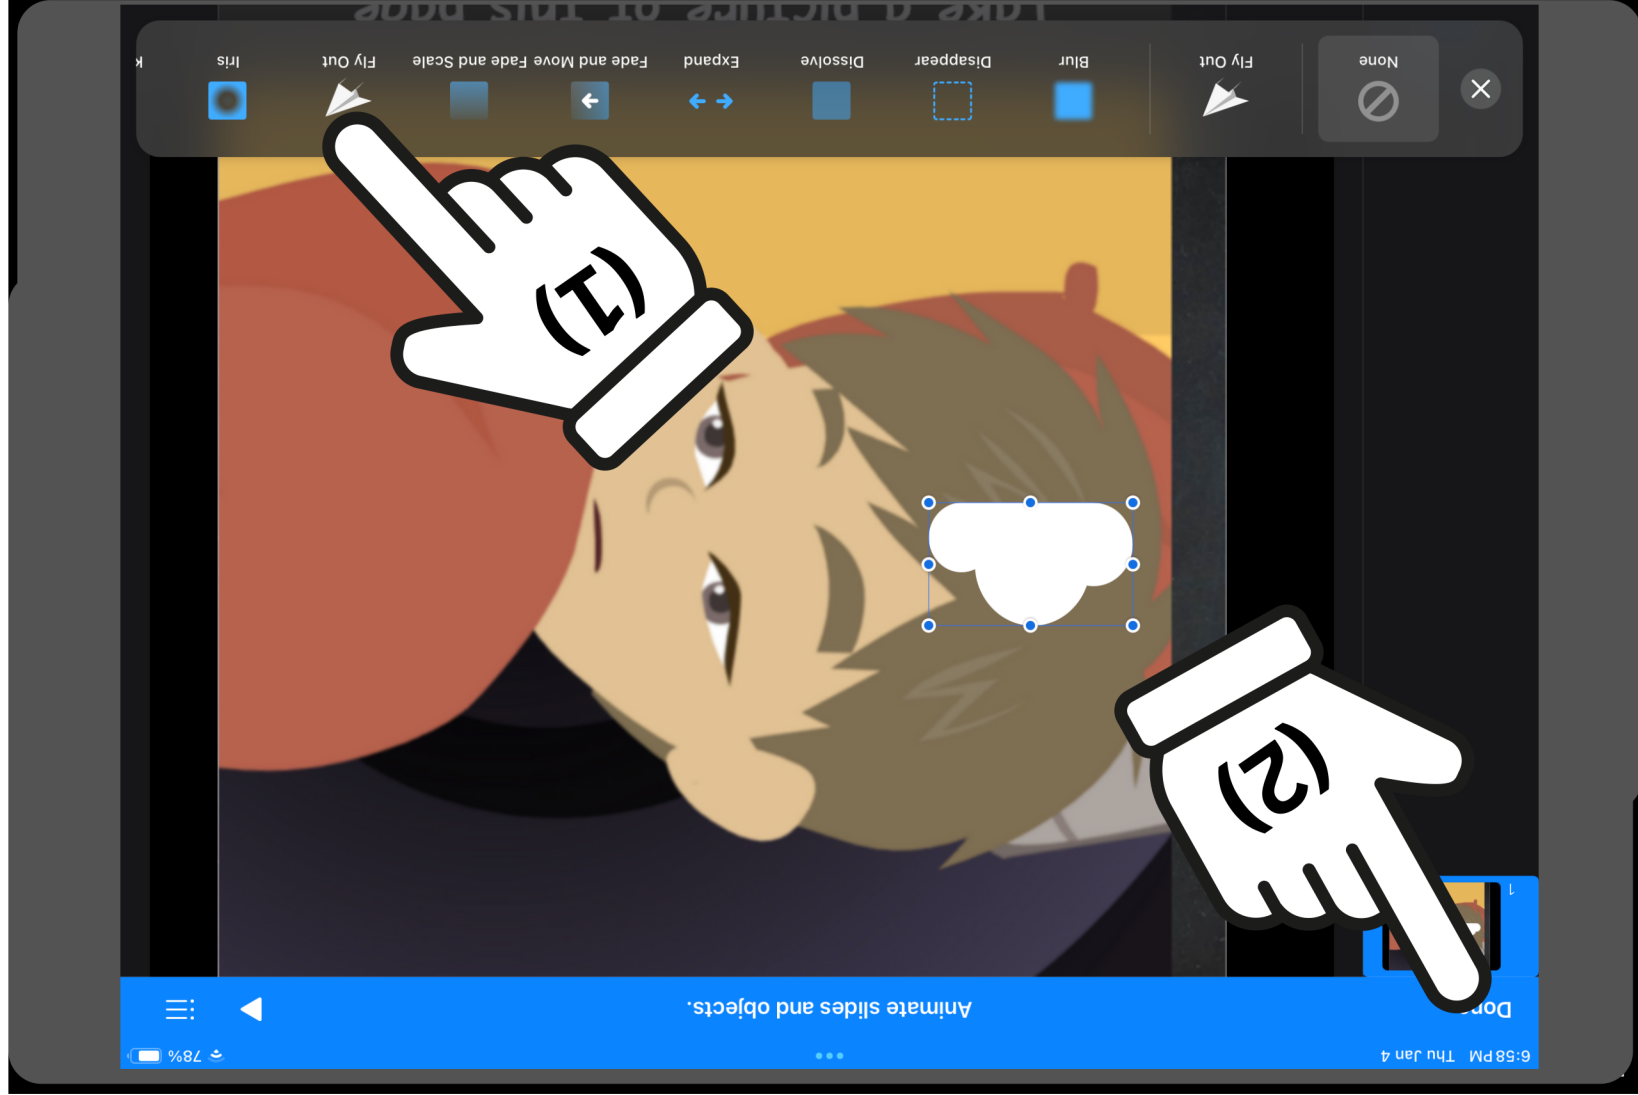

Tap the **Play button**.  
Say out loud: "I will not be afraid because God said, Fear not for I am with you."  
Tap the **cloud**.

18

Tap **Add Build Out**,  
on the bottom of the screen.

19

Tap **Fly Out**  
and **Done**.

# Nana P.'s Challenges

*Here are some ideas you may wish  
to add to this creation project.*

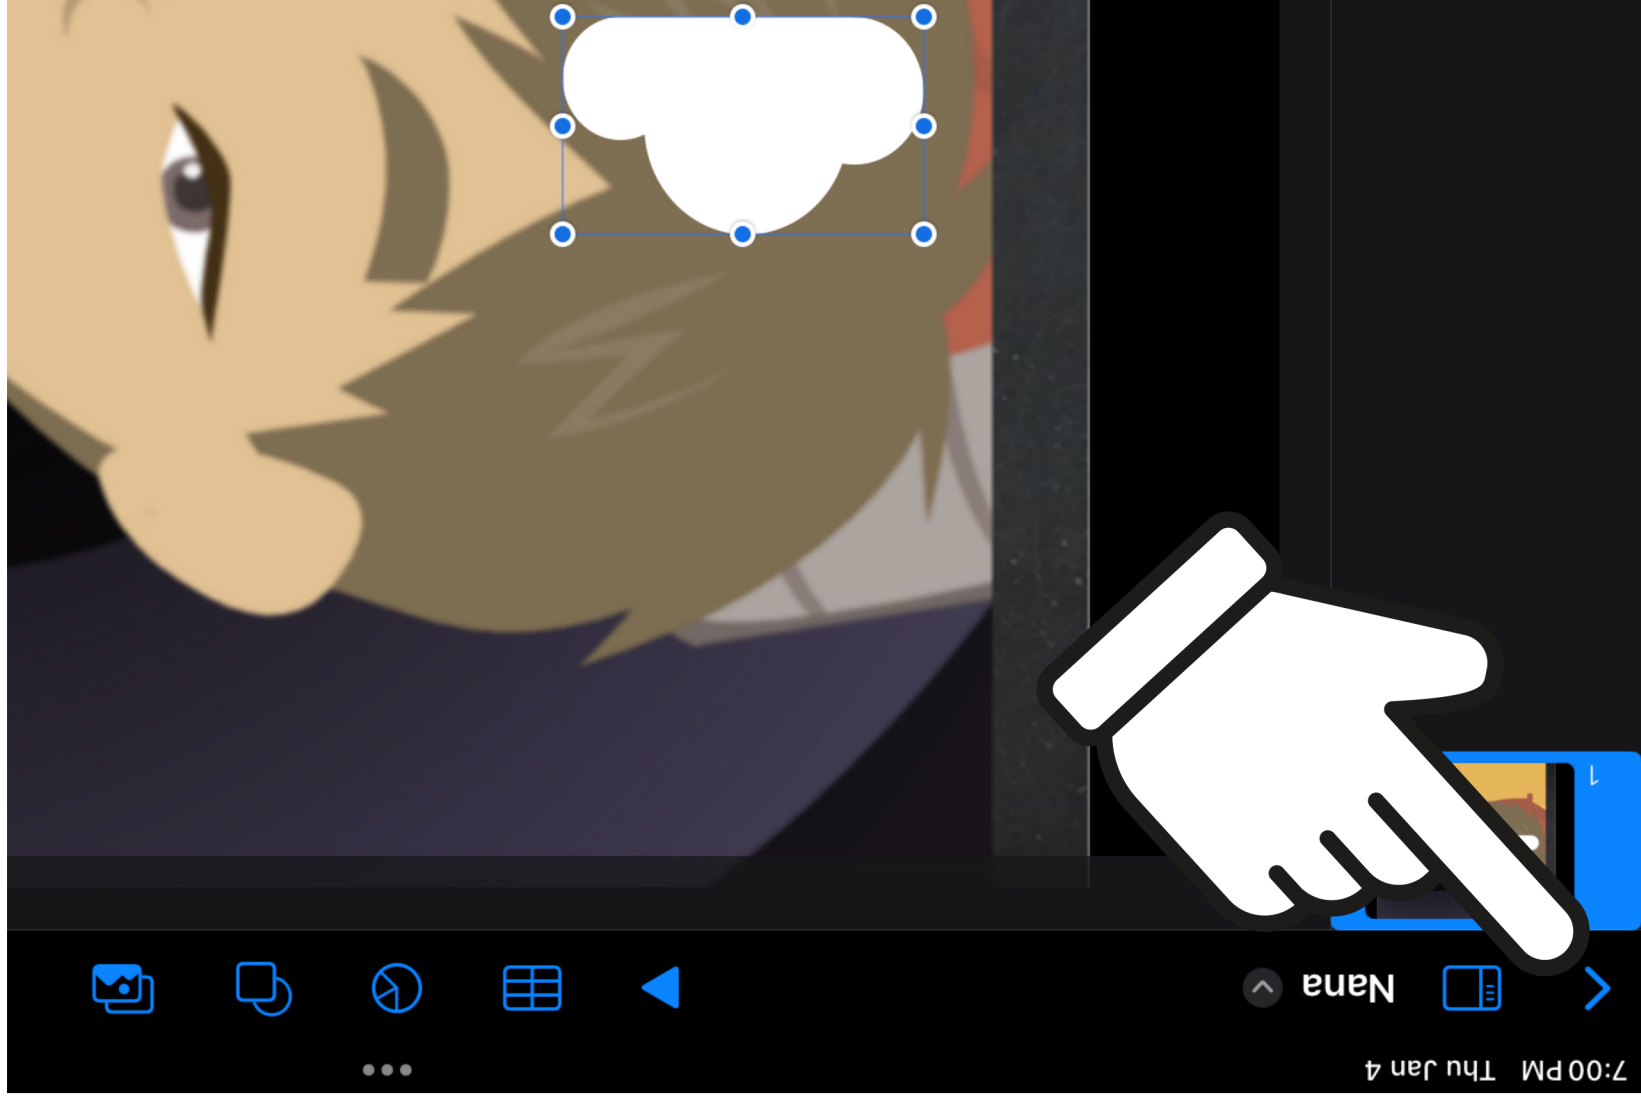

Remember, my **BIGGEST**  
challenge is for you to go and  
**TEACH** someone else about the  
verse you learned through  
making this creation project.

- Record your voice saying the verse while the cloud flies out.
- Add a colorful title to your project.
- Draw some scary faces inside the Cloud of Fear.
